## Message from the Instrumental Music Boosters President

Now that the Holiday season is over, the boosters are getting ready to do some spring fundraising. We will be sponsoring a Pops concert on April 14<sup>th</sup> and a Vera Bradley Bingo at the end of April. As usual we will need help with these fundraisers and are looking to involve some new parents. If you are interested in helping out, go to [www.LibertyInstrumentalMusic.com](http://www.LibertyInstrumentalMusic.com) and send an email to the Webmaster, who will forward it to the members of the Boosters.

I did not put anything in the last newsletter to thank all the parents and students who came out to help at the Craft Fair. The craft fair can only be successful when everyone works together. I want to give a special thanks to Gil Valdez for running interference when issues arose during the clean up period and to Jim Mullen and Patty Miller for making the phone calls to get volunteers to help out.

This is also the time of the year that we need to start thinking about the board for next year. At this point, we have 2 members of the board who have graduating seniors and will not be here next year. All the positions on the board are available, if anyone is interested get in touch with a current board member and let them know. The board positions are President, Vice President, Secretary, Treasurer and Ways and Means. There are also committees that need chairmen and co-chairmen. The Music Boosters meet on the 2<sup>nd</sup> Tuesday of every month and we would love to see more parents attend. If you don't get involved and voice your opinion then you can't complain about the activities supported by the boosters.

A calendar, the latest news, volunteer opportunities, and contact information are all available at the Booster web page:

Sincerely,
