## ***Message from the Instrumental Music Boosters President***

The Liberty Instrumental Music Booster organization is continuing to provide fundraisers and activities that will enhance our students' knowledge of music and provide funding for the purchase of music as well as instruments. The month of April provided 2 fundraisers which were very successful for the program. On the 14<sup>th</sup> of April, the students performed in the "Pops Concert" playing music that was very diverse as the name of the show was "Anything Goes". On the 27<sup>th</sup> of April, the boosters sponsored a "Vera Bradley Bingo" which was a very popular evening with everyone enjoying themselves. I want to extend my thanks to all the parents who volunteered to help out at these fundraisers, at the concessions, selling tickets to the shows as well as raffle tickets. These fundraisers would not be the success that they were without the help of parents.

With the end of the school year upon us, the Booster organization will look to the fundraisers that will begin with the Funnel Cake stand in the summer and provide the funds for activities in the 2007-2008 school year. Again we are grateful for all the help that is provided by the parents in the program.

Since this is the end of the year, the Booster organization recognizes students who demonstrate musical excellence, excellence in intellectual development, leadership and contribution to support of the music program by providing scholarships. The organization provides 4 scholarships, 3 determined by specific criteria and the fourth "Spirit Award" which is determined by Junior/Senior votes. Any senior student interested in applying for a scholarship can download the application on the booster website, <http://www.libertyinstrumentalmusic.com/>
