November 2006

Message from the Instrumental Music Boosters President

The booster organization has been busy the last month with a fundraiser to sell "Kids Stuff" coupon books and by providing chaperones to help the Marching Band as they compete at different schools. We are now getting ready for our next big fundraiser, which is the Craft Fair. This will be on November 18th from 9 AM to 3 PM (see the attached ad). We provide booth space to over 100 crafters who come to sell their wares to the public. We will be looking for parents and students to volunteer to help set up Friday night and also to break down on Saturday afternoon. Parents are needed to help during the day on Saturday at the entrances to take entrance fees and in the cafeteria to help out with the food. Students will be needed to help out with the setup of vendors and as runners to bring the vendors food during the day. If you are interested in helping out, go to www.LibertyInstrumentalMusic.com and send an email to the webmaster, who will forward it to the members of the Craft Fair committee.

As I have said in previous newsletters, I am thanking you for your continued support of Liberty's Instrumental Music Program. Thank you for taking the time to answer the sometimes last-minute calls to volunteer. Please consider coming to our Booster meetings held the 2nd Tuesday of each month; and please consider donating a few hours of your time for our next activity or fundraiser. A calendar, the latest news, volunteer opportunities, and contact information are all available at the Booster web page: www.LibertyInstrumentalMusic.com. Again, thank you for your dedication and support.

Sincerely,

Rochelle Schneiderman

Instrumental Music Boosters President
