Message from the Instrumental Music Boosters President

As we get closer to the beginning of school, the Instrumental Music Boosters are busy planning activities that will provide funding for the instrumental music program. Brandi Jason has many items on her wish list that the Boosters would love to help fund. The one thing that is always needed is volunteers. If you are interested in helping out, please get in touch with our Ways and Means chairperson.

Our Ways and Means chairperson, Mary Llewellyn has come up with some new and different fundraising ideas that are detailed in her report later on in this newsletter. Phyllis Miller is working hard to make sure that the Extravaganza is a success. Sharon McDowell and Lorrie Brown are looking at different snacks to provide this year. We hope that a lot of parents will come out and help this be a successful event.

The program will have more fundraisers coming up including the Craft Fair in November. We will also have another Pops Concert in the spring. We are looking forward to a successful year for the Boosters. Also, check out the sportswear that is being offered for sale. Some of the items are for students and parents who participate in the music program.

As I have said in previous newsletters, thanks for your continued support of Liberty's Instrumental Music Program. Thank you for taking the time to answer the sometimes last-minute calls to volunteer. Please consider coming to our Booster meetings held the 2nd Tuesday of each month (except for Sept. when it will held on Sept. 6th at 7:00PM); and please consider donating a few hours of your time for our next activity or fundraiser. A calendar, the latest news, volunteer opportunities, and contact information are all available

at the Booster web page: www.LibertyInstrumentalMusic.com. Again, thank you for your dedication and support.

Sincerely,

Rochelle Schneiderman
